Experience ...

... the City of Langley. With its rich history, wonderful sense of community, lush offerings of nature, and proximity to Vancouver, Langley is the best kept secret in the Lower Mainland.

Located just a short 40-minute drive east of downtown Vancouver, Langley (pop 130,000) attracts visitors with a blend of offerings.

Visit historic and heritage sites, engaging museums, follow a Circle Farm Tour that visits local farms and nurseries, take wine tours, go horseback riding, and enjoy boutique and big-box shopping.

Fort Langley, nestled next to the Fraser River, gave the city of Langley its first claim to fame in the mid-19th century as the "Birthplace of British Columbia".
